Technician _____

Backup Source	Schedule	Backup Time	Username	Password

Notes:

Disclaimer:

Network One, Inc. shall not be held liable for loss of data between backups, virus software on the customer's system(s), data integrity of the backups, missing data, loss of time, repair and recovery expenses and/or any problems that occur from failed backup, misuse of backup, corruption, and/or any other causes for data loss. The Customer is solely responsible for adequate protection and backup of the data and equipment used in connection with any data backup software. Network One, Inc. is not liable for any damages that the Customer may suffer in connection with downloading, using, modifying, or distributing any of the data backup software. In all respects it is the provider of the personal and/or business information that is responsible for the safe keeping of secret data such as passwords.

By signing below, the customer agrees to the disclaimer and acknowledges that it is their responsibility to check their data backup activity on a regular basis to ensure the backup method is properly running. The customer understands and has reviewed all of the backup sources and settings.
